* L'had-lik Nayr Shel Hanukkah is a direct translation: Kindle the lights of Hanukkah

It is pronounced:

L'had -- le-HAHD (the "le" is like the French "le" - a cross between our short e and u, almost like the vowel sound in "look" but is dropped by the contraction to almost not be there.)

lik - leek nayr - nair shel - shell Hanukkah - as you would pronounce it in English
