Dear Families,

Have fun exploring music with your students this month. Here are some activities to get you started!

Mystery Music Term

Look carefully at the calendar, and find all of the letters in bold. Unscramble the letters to spell a music term.

Mystery Melody

Here is this month's Mystery Melody:

Try singing or playing the notes to see if you can identify this piece.

Featured Musician and Listening Examples

Nikolai Rimsky-Korsakov is this month's featured musician. You can learn about him at <http://bit.ly/1vnfQCA>. Also, spend some time listening to "Flight of the Bumblebee."

- Listen for the fast, running notes that create the "Flight of the Bumblebee."
- Listen for accents throughout the piece.

Consider keeping a family music journal. Be sure to include the name of the composer, a list of his/her pieces, as well as your thoughts, feelings, and reactions to the music. Quality recordings of all the featured musical works are available for purchase at <http://music4you.lorenz.com>.
