Christmas is such a wonderful time to reflect on the birth of our Savior. It is also one of the busiest seasons of the year for the church pianist. This collection contains the well-known carols that we all love, arranged to enhance the beauty of the text, yet simple enough to polish with minimal practice. Whether playing these pieces for the church candlelight service or in the warmth of home and family, the beauty of these carols will turn our thoughts toward the birth of our Savior.
