

Chumbara

Two-part Chorus and Piano

Traditional

French Folk Song
Arr. by Dave and Jean Perry

Ranges:

Chumbara = Choom-bah-rah,
Fydolee = Fi-doh-lee
Chowberski = Chou-bear-ski

The words, "Chumbara," "Fydolee" and "Chowberski" are nonsense syllables and have no meaning whatsoever. An option to extend the song and make it your own, is to take any three-syllable word (school name, mascot name, special teacher or principal, etc.) and substitute it in place of one of the nonsense syllables. This can be done by repeating one of the sections of the song.
