5 *mf*

1. Down at the sta - tion our work's be - gun. —  
 2. The lights are flash - in', we're on the way. —  
 3. We find the fam - 'ly all safe from harm. —

9

Some - bod - y must — have di - aled 9 - 1 - 1. —  
 We're fire - fight - ers and we'll save the day. —  
 They made it out — thanks to a smoke a - larm. —

Am Em

Duration: approx. 2:10

13

We're mov - ing fast — but we're in con - trol. —  
 We've got a lad - der. We've got a hose. —  
 We hook the hose — up, and start to spray. —

17

One at a time — we slide on down the pole. —  
 We'll put the fire. — out be - fore it grows. —  
 To put the fire. — out it takes all day. —

Am Em

21

We wear our fire - proof suits and have a seat. —  
 Our work is tough, — but we can take the heat. —  
 But we won't rest. — un - til the job's com - plete. —
