Picture Rhythms 1

Directions: All words are made of sounds or syllables. Look at the pictures in each example below. Say the name of the picture out loud and determine the number of syllables. Then, draw the notes that correspond with the number of syllables on the steady beat blanks below the pictures. If there is no picture above the blank, draw a rest. The first rhythm has been done for you. Clap the rhythms when you are finished.

**REPEITION 1: REPEAT SIGNS**

**Directions:** Repeat signs | | indicate that a section of music should be played again. If there is only one repeat sign, it indicates to go all the way to the beginning of the piece. If there are two repeat signs, just the music within the repeat signs should be played again.

Match the patterns in the left column with the choices on the right. The choices on the right use repeat signs to show repeated sections within a pattern.
