

*Reading 1:*

From the beginning of Christianity, the season of Lent has been experienced as a journey, a journey of introspection, a time to examine our sins and to return to God. A journey through the wilderness. Like the Israelites, a journey out of slavery through the desert and into the promised land; a journey of preparation for a new life. Come now as we walk with Jesus in His Passion journey.

*Reading 2:*

The prophets of old find fulfillment in Jesus, and their journey becomes ours; to live in God, with God and for God. In His preparation for the Paschal Feast, Jesus becomes the bread and wine. We journey into His body and blood as we feast with Him at the table. Each time we come to the feast, we remember...
