

Dear Piano Student,

Step into the spotlight and enjoy these fun solos! And when you've mastered each piece, reward yourself with your very own sticker, too! You've earned it with all your hard work and practice. We're excited that each day you're learning something new and different at the keyboard. Isn't it fun to discover a favorite new piece and perform it for your friends and family? So get ready, get set and let those fingers fly! We hope you enjoy the music we've written especially for you and all your "superstar" performances!

Wishing you much musical joy,

Janet Vogt and Martha Sherrill Kelsey
